## Chairman's Report :

It was with a deal of wailing and gnashing of teeth that Annette and I made the decision to move out of the Village. We had planned to leave 1 Home Farm Cottages feet first and then only after we had overtaken Ken Dickson in the "Old Age Stakes". But, unlike our politicians, we changed to "Plan B" when things went wrong and failing eyesight curtailed my independent movement. The silver lining is of course that I leave the Branch thriving and in the best of hands and that I no longer have to worry about having to drive home after a party and I do hope that you will invite us to join you on such occasions in future. If ever any of you venture east to Suffolk do call in on us in Woodbridge, the pubs are all within easy walking distance!

Summer Issue

We all were absolutely delighted when **Gil Stone** drew the Grand Raffle Prize & promised to drink the fizz straight off with friends!

Our Chairman **Tommy** and **Annette** listening in to the Annual Dinner speeches

## The Annual Dinner at Ashridge Golf Club

"Wasn't it great"! We have come to expect delicious food and great service from our "very own" Golf Club, but it is the company that makes an occasion memorable and didn't we all enjoy every moment!

Once again a thousand thanks are due to the Club for looking after us so well and to Mitch for organising it all.

Ashridge Golf Club : Left, **Janet Davis, Rita Humphrey & Dorothy Grande** enjoy pre-dinner drinks overlooking the course. Centre, **Wendy Mitchell and Maurice Godden**.

Right, **Bill Paterson, John Mitchell with back to the camera & Tommy Tucker** keep the bar in profits!

## Social Evenings at The Bridge

They get better every month!

Those who haven't popped in just don't know what they're missing. Once again we filled the Ashridge Room at our meetings in March and April. The fewer who turned up on Dank Bank Holiday Monday in May were treated to a feast of "bangers and mash" rather than our usual monster platters of "sarnies and side dishes".

Hubert & Pauline Case, Wilfred Birdseye, Annette Tucker & Ken Dickson & friends swap stories & share food and a drink.

**Car Parking Marshalls : RBL Volunteers Needed!**  
**We are seeking RBL volunteers to help direct traffic during the Village Queen's Jubilee Celebration on Tuesday 5th June from around 11am. If you can spare even half an hour, please call Paul or Shaun and as a bribe a free hog roast meal awaits at the Bowls & Croquet Club! Thanks! Paul Woods 01442 843430 & Shaun McCarthy 01442 842565**

Our very own civilian aviator **Stuart Green** and his family have been involved in an extraordinary 2 year odyssey since seeking the Branch's help in tracing his father Alan Green's war records and medals. The RAF were delighted to present Stuart with his father's medals (which he had never claimed) while he handed over a copy of Alan's extraordinarily detailed logbook. Having visited last year the site of the "Great Escape" camp Stalag Luft where Alan spent almost 3 years as a POW, Stuart discovered by chance the existence of a memorial next to the field in Wognum, Holland where his father's Stirling bomber crashed on 21st June 1942, sadly killing 3 of the aircrew. Together with his twin sons, Stuart visited the memorial in November to be greeted by a "Civic Reception" involving the Mayor and several witnesses to the crash, including 87 year old Tiny de Boer. In one particularly emotional moment, Stuart was given the buckles of his father's parachute which had been kept all these years by
